THE STORY OF A MASTERPIECE

At the beginning of the show, the viewer is taken on a journey through time. It starts by taking us to the sixteenth century to visit the quarries of Carrara on a search for the perfect piece of marble. Michelangelo's passion for stone arose out of his relationship with "the giant", a rock that seemed impossible to sculpt, until he created the most iconic statue of all time: David. Michelangelo is without a doubt, an artist. He not only sculpts, but also writes poetry and paints. This is why Pope Julius II commissioned him to paint the ceiling of the Sistine Chapel.

The Chapel will appear to the public as it was before Michelangelo began work on it, and the audience will explore, in his presence, the lateral paintings carried out by the Italian masters who preceded him.

MICHELANGELO AND BEAUTY

A Pope's ambition
and a challenge of a genius

Julius II: Here, Maestro. Now you stand in the middle of the Sistine Chapel. On this side you can see the story of Moses, and on the other the story of Christ. God chose Moses to lead his people, just as Christ chose Peter to lead his Church.

A magical journey featuring the artist's creative process where the ceiling paintings dedicated to Genesis come alive.

THE MOST FAMOUS STORY IN THE WORLD The unveiling of the Creation

Michelangelo: How can matter live up to the idea of God?

In 1513, a year after the ceiling fresco completion, the Sistine Chapel became, for the first time, the place where the Papal conclave, the meeting convened to elect the Pope, would take place. Thanks to a free interpretation, the symbols of this timeless rite come to life.

THE CONCLAVE

Secrets and rituals of the papal election

Julius II: Every time a pope dies, another will be found. Thus goes an ancient Italian proverb. It doesn't talk about death, but about life. The life of the church, which continues beyond the time of any one life, and aspires to eternity. Thus, every time, the conclave gathers in the Sistine Chapel to elect a new Pope.

At the end of the Papal conclave, the viewer will find themselves before the new Pope. Clement VII orders Michelangelo to create the fresco on the main wall of the Sistine Chapel. A new challenge for Michelangelo, who in a moment of inspiration produces a visionary and powerful fresco depicting the Last Judgement, one which completely breaks with previous tradition.

THE LAST JUDGEMENT

Spirituality and Mercy

*For I was hungry and you gave me something to eat,
I was thirsty and you gave me something to drink,
I was a stranger and you invited me in,
I needed clothes and you clothed me,
I was sick and you looked after me, I was in prison
and you came to visit me.*

*Truly I tell you, whatever you did for one of the least of these brothers
and sisters of mine, you did for me. (Matthews, 25, 31.-45)*
